

## Intercoms - Glass

### 2-WIRE

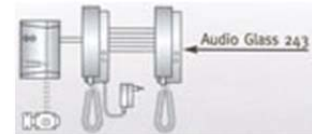

wall-mounted.  
Ultra-flat, stylish yet discrete.

#### Audio Glass 241

- Aluminium roadside panel for flush mounting
- Second white front panel (for roadside panel)
- Flush-mounting box
- Surface-mounting frame
- One handset
- 12 V AC transformer

#### Audio Glass 243

- Intercom handset for audio glass 241 and 242.

### 2-WIRE

An outstanding blend of design and technology, this two-wire colour video intercom is like no other. Its shapely proportions and sober lines are matched only by the beauty of the materials used. Usability is not forgotten, with a hands-free system and amplified sound.

#### Video Glass colour 251

- Roadside panel with call button
- Flush-mounting box, surface-mounting frame, second white front panel.
- Colour monitor with power-supply.
